Volunteer Application

Thank you for your interest in the Sandy Community Action Center. We are a hunger-relief agency serving low income people who live within the Oregon Trail School District. We operate a self-shop food pantry and a thrift store that supports the food pantry.

We currently have volunteer opportunities in the food pantry as pantry hosts and stockers. In the thrift store we look for cashiers, sorters, and receiving dock support. We are also interested in what special skills and ideas you bring to support our mission.

Please complete the following information and return it to Cheri Hinkel by stopping by the Center, or by emailing the application to info@sandyactioncenter.org. Please give us a call if you have any questions. 503.668.4746.
